# APPLICATION GUIDELINES

## ELIGIBILITY

The competition is open to students, grades 9-12, who reside or attend school in the McLean Community Center's Tax District. For information regarding boundaries for the McLean Community Center district visit <https://mcleancenter.org/mclean-tax-district/>. Students must be enrolled in and attending high school on a full-time basis to be eligible for the competition. Participants may enter every year they meet eligibility requirements. **The application deadline is Monday, Oct. 19, 2026. Fees must be paid in full by Monday, Oct. 26, 2026.**

## PRIZES

Competition prizes are awarded to the first-, second- and third-place finalists in each of the following categories: dance, theatre, vocal music and instrumental music. A \$1,200 prize is awarded to the first-place winner in each category. The second-place winner in each category is awarded \$800 and the third-place winner in each category is awarded \$400. In 2020, the first-place Instrumental Award was named in memory of Anita Lamkin, a longtime friend of young musicians and supporter of music performances in McLean.

Winning students must possess a valid US Social Security Card and submit a completed W-9 for monetary prizes to be awarded. Prize money is sent as a check from Fairfax County Government within 30 days of receipt of the winner's W9 following the competition.

## JUDGES

Professional performing and teaching artists in each of the disciplines act as judges for the competition. All participants who submit a complete application will compete in the preliminary round of their category. Judges select three finalists for each category who will compete in the final round. Finalists will receive notes from the judges. The same judges will choose a first-, second- and third-place winner at the time of the final competition. If, in any round, the judges determine that three finalists of superior artistic ability cannot be identified within a particular category, they reserve the right to limit the number of awards made in that category or to make no awards in that category. All decisions of the judges are final.

## PRELIMINARY ROUND REQUIREMENTS

### All Participants/All Preliminary Rounds Requirements

- All participants must be available on their category's preliminary round date as well as the final round on December 2. No exceptions. Preliminary rounds are closed to teachers, families and the public. Participants may compete only once in each category but may compete in more than one category. The exception is instrumental music: participants may compete with multiple instruments; each instrument is a separate application, and each instrument incurs a separate application fee.
- Participants must perform two pieces – each one must be in a different style. Both must be memorized. The same pieces must be performed in the Final Round. It is recommended that the length of the combined pieces be at least 5 minutes but may not exceed 10 minutes. Judges have the option of eliminating participants from the competition who exceed the maximum time.

- In the Preliminary Round only: Participants should introduce themselves and each piece. This must be included in the 10-minute period.
- The preliminary round audition time assignment will be sent via email during the week of Oct. 19. The backstage green room is available for each participant 10 minutes prior to their audition. Only participants and their accompanists are permitted backstage. Arriving after the scheduled preliminary round time may result in no rehearsal time in the green room and possible removal from the competition.
- If you need additional warm-up or rehearsal time onsite, please rent a meeting room by visiting [mcleancenter.org/rentals](http://mcleancenter.org/rentals). Rooms are not guaranteed and are subject to availability. McLean Community Center does not have practice rooms or pianos in meeting rooms.
